To use this calendar, find the day our driver is picking up the case. The return date for your single crown/bridges under 6 units is identified beside the desired material. Please fill out a due date on each Rx if a certain return date is desired. If you are mailing cases, please add 2 days for delivery via UPS or mail.

We accept digital impressions via iTero (Carroll Lab ID # 16284), Sirona Connect, Carestream, 3Shape Communicate and any .stl files (uploadable via our website or portal).

Need your portal username and password? Please e-mail dianna@carrolldentallab.com. The portal allows you to track cases, upload files, communicate with the lab in a HIPAA-compliant space, view invoices, pay statements, etc.
